Our Katrina experience was:

Katrina took everything including our home. We like many were left with nothing but a slab. We took refuge in North Georgia, and never dreamed we would never return to our much loved Waveland home. Gary is the only one from our family that has seen the devastation. We (the Kids and I plan to visit over Christmas Break.

Write something special that you would like Santa to bring you or your family:

I would like Santa to bring me and my family some peace. The Kids and Gary seem to be handling everything much better than myself. I miss everything and everyone from back home!!! God bless everyone!!!

Please use back or another sheet of paper, if you want to write more. We want to hear your story.
